

CALL FOR APPLICATIONS

Crisis Simulation

Bundesverband

Preparation and Training are essential in crisis management. In the community, the question of what digital crisis simulation solutions are available on the market is an important one. For this reason, ASW is happy to give another opportunity to several service provider to present their product(s) at our market place. Because of the positive feedback for our last event, the scope includes our international colleagues again. The overall topic for our 3rd market place will be: Crisis Simulation.

Presentation Framework

Functionality of your software product

- Digital solution for a full tool-based crisis simulation
- Only one function, e.g. creating injects, would not be sufficient for an application
- Pre-defined or customized crisis scenario(s)
- Cyber-specific or social media specific solutions also welcome
- Hybrid, Remote or on-site execution

Ground Rules for the presentation

- 25 minutes presentation plus 5 minutes time for Q&A
- Presentation can be held in German or English
- The market place takes place in the form of an online event and will be held on 2 days of approx. 3.5-4 hours each (April 20/21)
- You will have the opportunity to present your product if (a) the content is of high quality and (b) it is relevant for theory and practice.

If you are interested, please send us a mail with the following information to

info@asw-bundesverband.de

- Your name
- Your company
- Your product incl. short information text and information about the product (i.e., slide deck)
- Link to homepage
